Hi Helen,
Please let me know if you are available to talk tomorrow. I would like to discuss the schedule for a public meeting and what agenda item EPA would like included. I heard you say that May 11th was not a good day for EPA because there is another, unrelated EPA public meeting. USACE would like to hold this public meeting as soon as possible, so please let me know what date works for EPA. The public meeting will be virtual from 5:30 to 7:00pm. I am available tomorrow from 11am to 1pm.
Thanks.
Chris
